Woodward School
1102 Hancock St.
Quincy, Mass.

To the Members of the Class of 1969:

You will be graduating from Woodward School just 100 years after Dr. Ebenezer Woodward (in May 1869) signed his will providing for this school. You will be taking your place in a line of graduates who for 75 years have gone forth to carry Woodward ideals and traditions far and wide.

What great changes have swept this world in those three generations! What great scientific and technological advances have been recorded! What amazing progress has been made in many directions; yet what a decline in moral standards has resulted! What poor expression is acceptable and approved in literature! What a breakdown in family togetherness and responsibility is evident!

In the 75 years of her existence, Woodward has tried to develop and encourage high standards of living and achievement. The world about you needs leaven to encourage the regrowth of honor in living, honesty in business, and service to all. As you leave here for your continuing training, may you carry with you that leaven to help develop a better society and alleviate the ills of society. The world today is sick and needs help. May your purpose and mission in life be to exemplify truth, honor, and faith in a Divine Providence, and may God bless you richly. My love and interest will follow you always.

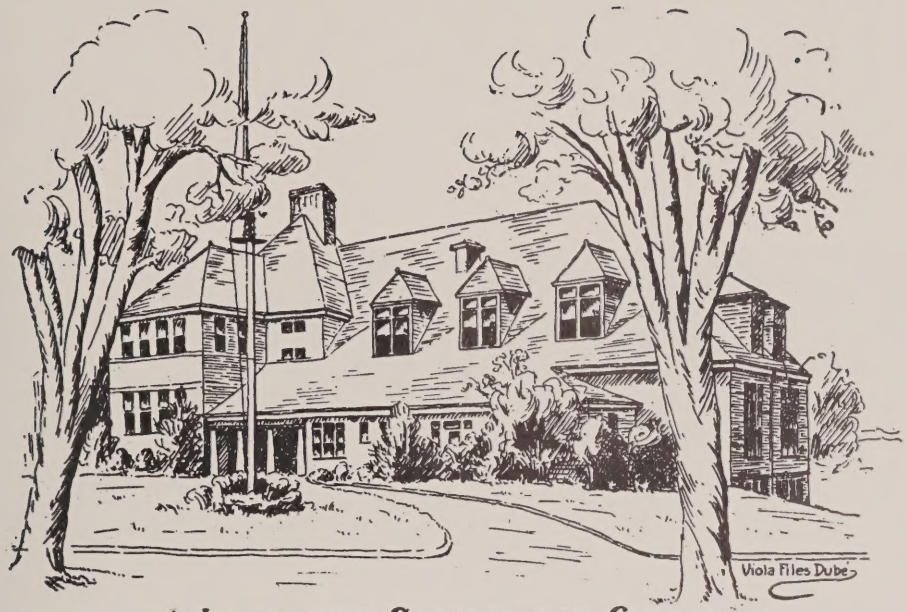
We Dedicate



WOODWARD SCHOOL FOR GIRLS
ESTABLISHED 1894 ~ QUINCY, MASSACHUSETTS

We, the class of 1969, dedicate this yearbook to Doctor Ebenezer Woodward. In May of 1869 Dr. Woodward died. He stated in his will that a school for Quincy-born girls should be opened within twenty-five years. In April of 1894, one month before the twenty-five years elapsed, the Woodward School for Girls opened. 1969 marks the seventy-fifth anniversary of the opening and the one hundreth anniversary of the founding of the school.

We, the class of 1969, dedicate this yearbook to the Board of Managers and to the chairman, the mayor of Quincy, and to the Board of Directors and its chairman, the minister of the United First Parish Church, past and present, for their contributions in making Woodward the school it is today.

We, the class of 1969, dedicate this yearbook to the faculty, past and present, for their personal devotion to the education of Woodward girls.

We, the class of 1969, dedicate our yearbook to the Woodward School for Girls and to all those who have given a part of themselves to the school over the past one hundred years.

At one o'clock every Wednesday afternoon fifteen select Woodward girls attend Madrigal practice. A new member is voted into the Madrigal on the basis of her voice after singing a solo. The Madrigal has performed for the Quincy Historical Society, the Wollaston Women's Club, the Quincy Christmas Program at Quincy High School, a Mini-Musical at 1000 Southern Artery in Quincy, the Bridal Review at Jean d' Arc Academy, Spring Concerts, and school functions such as the Father-Daughter Banquet and Annual Alumnae Banquets.

Glee Club

Girls chosen from each class attend the Glee Club besides the regular classes in music appreciation, theory, and harmony. At twelve-twenty each Wednesday afternoon the members of the Glee Club meet to work "diligently" on their music program. The Glee Club performs alone and with the Madrigal at regular school functions such as Founder's Night which will be presented March 14. We all look forward to singing for group functions and showing off our talent!

TOP ROW: M. MacIntyre, D. Farina, E. Guglielmi, N. Silverstein, L. McKnight, L. Stacey, E. Schaeffer, D. Concannon, L. Goelet, E. Pratt, C. Milani, M. Omar, C. Webb, H. Sargent, V. Kingsley, S. Tuesday and Thursday are special days at Woodward because gym classes are held. The girls are notorious for their uniforms but famous for their good sportsmanship. Classes include archery, basketball, tennis, volleyball, tumbling, stunts on rings and bars, and best of all, dancing. Girls who earn above an 80% on the Presidential Test for Youth Fitness receive a special patch for their uniforms.

Fashion Show

In October of 1968, the Senior Class held a fashion show which was sponsored by the Rack 'n' Ball of North Quincy. Our commentator was Mrs. Howard Sattrie, and our models were carefully chosen from each grade. Besides being a financial success, everyone who participated enjoyed it.

We wish to thank the Rack 'n' Ball, Mrs. Howard Sattrie, Miss Claire Brown, our art teacher, the models and the parents of the Seniors who donated the refreshments. We also give ourselves a well-deserved pat on the back.

VOTES

KAY BACON
PRESIDENT

"Alice! A childish story take,
And with a gentle hand,
Lay it where childhood's dreams are twined
In Memory's mystic band
Like pilgrims withered wreath of flowers
Plucked in a far off land."

Once Upon A Time . . .

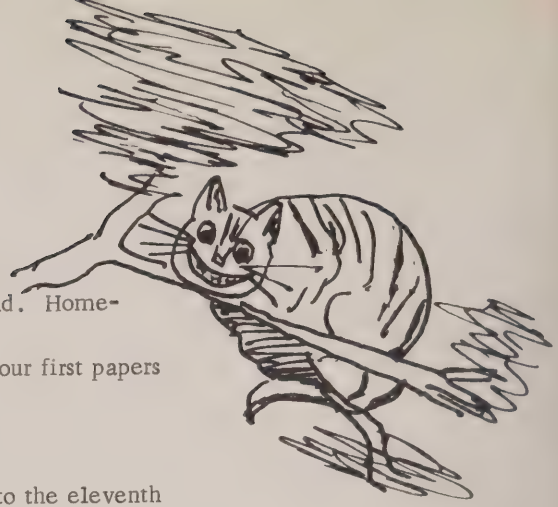
Eighteen Alices entered into the Wonderland of seventh grade and of Miss Dyas' homeroom. We fell through the looking glass when initiation came in early September. Our first step was our kitchen duties with Mrs. Halloran. We scrubbed and scrubbed until the garbage pail was clean enough to drink from, which Eileen proved. The two big events of our seventh grade were the Social on President's Lane, which Evelyn couldn't attend, and Eileen's portrayal of a Negro maid in the play, "Beware of Murder."

The second door opened to us as we began the eighth grade in Wonderland. Several of our Alices were expelled and many ran away. But we gained Christina. Mrs. Cubie helped us to build our treasury by selling cards and writing paper. The Social

Event of this year was held at Christina's grandfathers house, and Evelyn couldn't attend this one either. The year ended with our first Spring Concert.

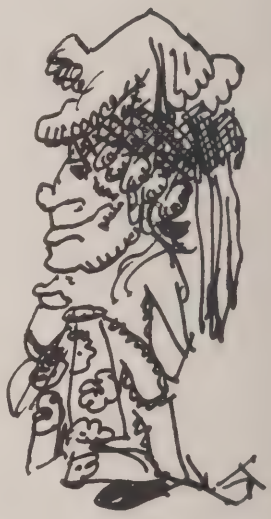
Ninth grade came, when we opened our first door into high school. Mrs. Cubie remained as our guide and the class gained three new members, Laurie, Gina, and Linda. An outstanding event of the ninth grade was the day we went to the Art Museum and misplaced Mary. Our search parties finally found Mary lost in her own Wonderland. The play "I remember Mama" was sensational with Evelyn as Mama and Eileen as Uncle Chris. The senior's acting was dulled by the brilliant portrayals of Eileen and Evelyn. And who can forget the condemned sign which mysteriously appeared on the front door on April Fools' Day??

September came again as we entered the tenth grade. Mrs. Kuyk became our new guide and Debbie also joined us. We elected Eileen as our President and she suggested that we sell chocolate bars which were a huge success, especially among ourselves. The year was livened by setting the clocks



ahead and turning our homeroom around. Homework became more difficult as we did our first papers in English and History.

As we stumbled through the door into the eleventh grade we elected Evelyn as our class President. During initiation, we helped by dropping water balloons on the Seniors and getting our revenge. Early in the fall P.S.A.T.'s came and later terms papers and exams. Michele joined us in our homeroom with Miss Hurlbert.



In the Spring, honor students got a beautiful tan while studying on the lawn. Linda surprised everyone, especially Tweedle-Dum, by winning a prize for her biology project on Founder's Night. The year ended with our Junior Prom. None of us will forget that night or the day afterward. It was truly unforgett-

able!

Our last door opened to us in September, and we bravely walked through it with five of the original members remaining; Susan, Mary, Jane, Evelyn, and Eileen. Our new addition to the class was Maureen. Finally we were Seniors!!! We elected Debbie as our President and Mrs. Millard became our chief guide. Initiation with the seventh graders was a complete disaster, but we regained our self respect at our fashion show. Before we realized it December came and with it College Boards and the Christmas Dance. We have now filled out our college applications and forms for our future. All we can do now is wait and hope. While we wait for our last door to open, the one that will take us from this Wonderland, we enjoy our special privileges and wait anxiously for our Prom and Graduation. We hope that everyone lives happily ever after ...

"And though the shadows of a sigh
May tremble through the story,
For 'happy summer days' gone by,
And vanished summer glory -
It shall not touch, with breath of bale,
The pleasance of our fairy-tale."

"What though the radiance which was once so bright
Be thou forever taken from my sight,
Though nothing can bring back the hour
Of splendor in the grass, of glory in the flower;
We will grieve not, rather find
Strength in what remains behind;
In the primal sympathy
Which having been must ever be;
In the soothing thoughts that spring
Our of human suffering;
And the faith that looks through death,
In years that bring the philosophic mind."

William Wordsworth
